

## Privacy policy for certified companies - Art. 13 of Regulation (EU) 2016/679

The personal data you provide will be processed in accordance with the principles of lawfulness, correctness and non-excessiveness. Your personal data will be used to forward your contact details to existing customers of Alpitronic which may have a interest in your services as a certified company. The legal basis for the processing, pursuant to Art. 6(1)(a) GDPR is your previous explicit consent. Such consent you will give in clicking the corresponding button.

The personal data collected may be communicated to persons inside and outside the company who are responsible for carrying out processing operations for the purposes mentioned above. Where necessary, these external parties will be appointed as data processors pursuant to Article 28 of GDPR 2016/679. Personal data will be processed by electronic procedures. The personal data you provide will be conserved in accordance with the retention periods of personal data and documents prescribed by current privacy regulation.

**Dissemination:** The personal data processed will not be spread.

**Automated decision-making:** The processing of the data is not based on automated decision-making.

**Rights of the data subject:** Regulation (EU) 2016/679 gives data subjects the opportunity to execute certain rights according to Articles 15-22. The data subject has the right to know what personal data the data processor holds from the respective person, to obtain information about whether data on the respective person exists and to be given an intelligible form more detailed information about the data, origin and the reason and purpose of its processing, as well as information about the superordinate of the processing people and categories of people, to whom this data is transmitted. The data subject has the right to confirm and control, correct and supplement respective data, to request that the data be deleted, blocked and converted into anonymous data if the processing violates the legal provisions. The data subject has the right, to oppose with justified reasoning, to the processing of respective data, in whole or in part, as well as to request its deletion, blocking or transformation into anonymous data. If the data subject does not receive a response to a request within 30 days of receipt – this period may be extended by a further 60 days if this is necessary due to the complexity or the high number of requests – the data subject may lodge a complaint with the Data Protection Authority or submit an appeal to the court. For more information: [www.garanteprivacy.it](http://www.garanteprivacy.it).

The present rights can be executed by the data subject or a person commissioned by respective person by means of a request to the company, Alpitronic Srl, Via di Mezzo ai Piani, 33, I-39100 Bolzano by registered mail or by e-mail to [training@hypercharger.it](mailto:training@hypercharger.it).
